Gypsy Queen (Take 3)

Van Morrison

Dance on gypsy queen
If it's all night, it's alright
Rave on
Let your love come tumblin' down
If you let your love come tumblin' down
It's alrightDance on (you know it's alright)
Gypsy queen
Dance on (you know it's alright)
Gypsy queenRave on
Laughin' at the summer moon
Don't stop your carburetor
Let your car run
And if it starts to rain
Keep on dancin' in the rain
And if it's all night, it's alrightDance on (you know it's alright)
Gypsy queen
Dance on (you know it's alright)
Gypsy queenOoo-la-la-la-la-la-la-la-la
Dance, dance, dance the night away
Ooo-la-la-la-la-la-la-la-la
Come on, come on, come on
Let me hear you sayYou're gonna dance on gypsy queen
Stars shine down on you
Yeah, everything alright
Ooo-wee
I want to throw my arms around you
I'm so glad I've found you, Gypsy QueenDance on (you know it's alright)
Gypsy queen
Dance on (you know it's alright)
Gypsy queenEverything (dance on) is
(You know it's alright)
Everything is (alright)(Dance on) everything is alright
(You know it's alright)
Keep on dancin'
(Dance on)
(You know it's alright)
