

Look Heart, No Hands

[Randy Travis](#)

I remember how it used to feel
Riding down old two mile hill
Tennis shoes up on the handle bars
Paying no mind to the passing cars
No doubts, no fears, just like when you are here
No chains, no strings, no fences, no walls
No net, just you to catch me when I fall
Look heart, no hands
It took a little time to get up to speed
To find the confidence and strength I'd need
To just let go and reach for the sky
You know sometimes it felt I could fly
No doubts, no fears, just like when you are here
No chains, no strings, no fences, no walls
No net, just you to catch me when I fall
Look heart, no hands
It doesn't take much
Just a smile or a touch
And I'm a kid again
I can almost feel that wind
No chains, no strings, no fences, no walls
No net, just you to catch me when I fall
Look heart, no hands
Look heart, no hands
