

Can U Get Away

2Pac

Whassup? It's 2Pac can you get away?
Let me come swoop you up, you know I got a man
I know you got a man but he ain't gon' if I take you out
Of course he gon' mind, let me take you to lunch I'll have you back before he even get home
Before anybody see, I can't, ohh c'mon, he ain't gon' let me
Please, nah, alright, what's wrong with your eye?
Why you got on glasses? Ever since I met ya I could beat depression
It's like your man don't understand, all he does is stress ya
I can see your state of misery from the introduction
Ain't 'bout no suckin' and touchin', just harmless discussion Maybe we can see a better way, find a brighter day
Late night phone conversations, would that be okay?
I don't wanna take up all your time, be the next in line
Tell me your size, let me find you things with you in mind I can see you're cautious and I'm careful not to scare
you
But anticipation of love makin' got you shakin'
When I'm standin' near you, news of precision will prepare ya
In case you get scared, just ask the man in the mirror Now the picture's gettin' clearer all he does is hit you hard
I tell you to leave, and you tell me keep my faith in God
I don't understand, I just wanna bring ya home
I wonder should I leave you alone and find a woman of my own All the homies tell me that you don't deserve it
I contemplate but in my heart I know you worth it
Tell me can u get away? Ebony, can u get away?
C'mon, let's go can u get away? Can u get away? So much pressure in the air
And I can't get away, I'm not happy here
So much pressure in the air
And I can't get away, I'm not happy here Could it be my destiny to be lonely?
And checkin' for these hoochies that be on me 'cause they phony
But you was different, I got no need to be suspicious
'Cause I can tell, my life with you would be delicious The way you lick your lips and shake your hips got me
addicted
I'm sittin' here hoping that we can find some way to kick it
Even though I got your digits gotta struggle to resist it
Slowly advance and miss my chance not to miss it You blow me kisses, when he ain't lookin', now your heart's
taken
My only wish is that you change your mind and he get shook
Wanna take you there but you scared to follow, come see tomorrow
Hoping I can take you through the pain and sorrow Let you know I care, that someone's there for your struggle
Depend on me, when you have needs or there's trouble
I wanna give you happiness and maybe even more, I told you before

No time to waste we can hook up at the store, can u get away? So much pressure in the air
And I can't get away, I'm not happy here
So much pressure in the air
And I can't get away, I'm not happy here I see you reminiscin' and I hope you listenin'
In the position to pressure and offer competition
Me and you was meant to be my destiny, no longer lonely
'Cause now it's on for you and me, all I can see A happy home, that's my fantasy
But my reality is problems with your man and me
What can I do? Don't wanna lose you to the sucker
'Cause if he touch ya, I got some drama for that busta Don't wanna rush ya but make your mind up fast
Nobody knows on who controls will it last, before I ask
I hope you see that I'm sincere, and even if you
Stay with him today I'm still here I refuse to give up 'cause I believe in what we share
You're livin' in prison and what he's givin can't compare
'Cause everything I feel for you I wanna let you know
Passion it be yours and I'll never let you go, tell me can u get away? So much pressure in the air
And I can't get away, I'm not happy here
So much pressure in the air
And I can't get away, I'm not happy here, yeah, yeah You ain't got to go through all this drama and this stress
With this old half a man, ya know what I'm sayin'?
I ain't tryin' to put you in a position
Where you gotta give up your lifestyle for everything You need but now, he ain't even takin' care of you
He beatin' on you and shit, look how you look
She motherfuckin' wanna be with that nigga, ya know what I'm sayin'?
Shake that sucker to the left Let me show you what this life is really about
Ya know what I'm sayin'? You need to be on first class
Need to be goin' to Hawaii, seein' the world
Seein' what this world got to offer you Not goin' to, ya know what I'm sayin'?
The emergency room, gettin' stitches
'Cause this nigga done got jealous
Don't cry, it's all good Can you take me from here?
Can you take me from here?
I'm unhappy here and I need you to show me love
Because it's so much pressure now and I need to get away, yeah
