## Wouldn't You

## **N-Dubz**

Na Na Naii

Oh Na Na NowSaid Boy I've been seeing you for quite a while

And I needa confess express what you do to me

I need to tell you

About the way you've changed my life

So many beautiful nights your the reason

You've got me staying ha ha through the night

See the thing is I don't quite understand

What you're trying to say (straight up)

Can you make it clearer'

And I just want you nearer

See everyone around me keeps on saying that

I must be blind (well they do have a point)

Shut up!All I'm tryin' got say is that

Wouldn't you wouldn't you

Like to have me to yourself

All to myself

All to yourself

What if I was to break your heart

Who would be dumb enough to

Lose all that I have got for you

All to myself

All to yourself

You've got to finish what you startHa ha I can give you that ha ha

Let me give you that ha ha ha ha ha ha na naii

Oo na na nowI like when you wear them material things

But I like it more when you try my hat on with the strings

And do the impression on me when I say na na nai

I ain't gonna lie no more you must have done a lot

For the body and the back and the brain that you've got

It's simple if I start I won't stop

You're so intelligent with such a high IQ

So if I ever have a baby id love it to be with youThe way she smiles at me every time she sees me its crazy

I'm proud to call her my lady

Like daps said, she the type of I girl I wanna see holding my baby

And she don't get excited whenever my job pays me

But if I'm on the phone she don't act right

So I try to keep them well away

So I don't have to stop a cat fight

Can't say I never said I wasn't that type

Truly you really confuse me

And that's whyI don't quite understand

What you're trying to say (are you mad as)

Can you make it clearer'

And I just want you nearer

See everyone around me keeps on saying that

I must be blind (you must be blind)(i don't understand)

Shut up!All I'm tryin' got say is that

Wouldn't you wouldn't you

Like to have me to yourself

All to myself

All to yourself

What if I was to break your heart

Who would be dumb enough to

Lose all that I have got for you

All to myself

All to yourself

You've got to finish what you startHaha I can give you that ha ha

Let me give you that ha ha ha ha ha Na na naii

Oh na na nowWhatever what would a girl like you want from a rebel like me'

Got no money in the bank just stuck in a council estate 'Together, will get a bit closer to the dream

Lets fly away just you and me so its up to youWouldn't you wouldn't you

Like to have me to yourself

All to myself

All to yourself

What if I was to break your heart

Who would be dumb enough to

Lose all that I have got for you

All to myself

All to yourself

You've got to finish what you startHa ha wouldn't you wouldn't you like to have me to yourself

All to myself

All to yourself

What if I was to break your heart

Who would be dumb enough to
