My Baby's Gone (Live at The Ritz, NYC 1987)

Los Lobos

My Baby's Gone
She's gone away from me
My Baby's Gone
She's gone away from me
Living doesn't matter now
She's going to set me freeMost people say
That now I'm free from your spell
Most people say
That now I'm free from your spell
Living on the outside
You know it's hard to tell
Five years relations
Went down the drain
What does it matter
She'll always be the sameMy Baby's Gone
She's gone away from me
Crying doesn't matter now
She's going to set me free
She's going away
She's going away for good
She's going away
She's going away for good
Crying doesn't matter now
It wouldn't do a bit of goodShe's gone away...
