

# My Baby's Gone (Live at The Ritz, NYC 1987)

## Los Lobos

My Baby's Gone  
She's gone away from me  
My Baby's Gone  
She's gone away from me  
Living doesn't matter now  
She's going to set me freeMost people say  
That now I'm free from your spell  
Most people say  
That now I'm free from your spell  
Living on the outside  
You know it's hard to tell  
Five years relations  
Went down the drain  
What does it matter  
She'll always be the sameMy Baby's Gone  
She's gone away from me  
Crying doesn't matter now  
She's going to set me free  
She's going away  
She's going away for good  
She's going away  
She's going away for good  
Crying doesn't matter now  
It wouldn't do a bit of goodShe's gone away...
