Grace

Aeon Spoke

Give me faith in the world
Faith in the world, pull it away
Give me faith in the world
Faith in the world, pull it awayBut I don't know how to love
I don't know how to trust myself
But I'll do my best to suffer with some graceGive me faith in the world
Faith in the world, with our pain
Give me faith in the world
Faith in the world, with our pain, ourBut I don't know how to love
I don't know how to trust myself
But I'll do my best to suffer with some graceI don't know how to love
I don't know how to trust myself
But I'll do my best, yeah I'll do my best
Yeah, I'll do my best to suffer with some grace
