

# Grace

## Aeon Spoke

Give me faith in the world  
Faith in the world, pull it away  
Give me faith in the world  
Faith in the world, pull it awayBut I don't know how to love  
I don't know how to trust myself  
But I'll do my best to suffer with some graceGive me faith in the world  
Faith in the world, with our pain  
Give me faith in the world  
Faith in the world, with our pain, ourBut I don't know how to love  
I don't know how to trust myself  
But I'll do my best to suffer with some graceI don't know how to love  
I don't know how to trust myself  
But I'll do my best, yeah I'll do my best  
Yeah, I'll do my best to suffer with some grace
