

# All the Things You Are

## Ella Fitzgerald & Nelson Riddle and His Orchestra

You are the promised kiss of springtime  
That makes the lonely winter seem long  
You are the breathless hush of evening  
That trembles on the brink of a lovely song  
You are the angel glow that lights a star  
The dearest things I know are what you are  
Some day my happy arms will hold you  
And some day I'll know that moment divine  
When all the things you are, are mine  
You are the angel glow that lights a star  
The dearest things I know are what you are  
Some, some, some, some some day my happy arms will hold you  
And some day I'll know that moment divine  
When all the things you are, are mine, yeah, yeah  
All the things you are, are mine  
All the things you are, come to mine  
Some day my happy arms will hold you  
All the things you are, come to mine  
All the things you are, come to mine  
All the things you are, come to mine  
All the things you are, come to mine
