Houston, bust straight through, I see me, I see you
Your body's callin', I'ma blow yo back out
I'll show you put ya hands up
Shake it fast on me, I'm tha pimp you need
10 G's in tha pocket and I'm ready to roll
I'm on fire like a rocket and I'm ready to blow
Don't stop, get ready drop
Turn around and make it pop
Ahh, don't stop, girl just drop

The soldiers widin' out got me back against tha wall

While you feelin' me grindin' in between on fighting temptation
Comin' over me, I can feel the vibration

Turn around and make it pop

Then let me see ya bring it back up top
She hot like a boilin' pot on tha stove like whoa here we go
Yeah, I got me a reason and a plot tonight
And I'm leavin' wit somethin' hot tonight
She gett'n got tonight, aight
Stop, you thought I lost ya
This 12 inches it'll cost ya
What I say ya gett'n tossed up
24's on tha whip I stay floss up
She wanna hang wit tha stars
So I showed her my bracelet
I'm gettin' y'all chicks and rubbin' it in ya faces
Yeah, yeah, yeah, yeah
Jackpot give it back shouts n' broads
Look at ass drop forward back clap 'n pause
We sweep all the broads and they all for choosin'
