Your body's callin', I'ma blow yo back out
I'll show you put ya hands up
Shake it fast on me, I'm tha pimp you need
10 G's in tha pocket and I'm ready to roll
I'm on fire like a rocket and I'm ready to blow
Don't stop, get ready drop
Turn around and make it pop

While you feelin' me grindin' in between on fighting temptation
 Comin' over me, I can feel the vibration

 Turn around and make it pop

Then let me see ya bring it back up top
She hot like a boilin' pot on tha stove like whoa here we go
 Yeah, I got me a reason and a plot tonight
 And I'm leavin' wit somethin' hot tonight
 She gett'n got tonight, aight
 Stop, you thought I lost ya
 This 12 inches it'll cost ya
 What I say ya gett'n tossed up
 24's on tha whip I stay floss up
 She wanna hang wit tha stars
 So I showed her my bracelet
I'm gettin' y'all chicks and rubbin' it in ya faces
 Yeah, yeah, yeah, yeah

 Look at ass drop forward back clap 'n pause
