

Red Flag (demo)

Billy Talent

Cast off the crutch that kills the pain
The red flag waving never meant the same
The kids of tomorrow don't need today
When they live in the sins of yesterday
Cast off the crutch that kills the pain
The red flag waving never meant the same
The kids of tomorrow don't need today
When they live in the sins of yesterday
Well I've never seen us act like this
Our only hope is the minds of kids
And they'll show us a thing or two
Our only weapons are the guns of youth
It's only time before they tighten the noose
And then the hunt will be on for you
The red flag waving never meant the same, no
The red flag waving never meant the same
Cast off the crutch that kills the pain
The red flag waving never meant the same
The kids of tomorrow don't need today
When they live in the sins of yesterday
Cast off the crutch that kills the pain
The red flag waving never meant the same
The kids of tomorrow don't need today
When they live in the sins of yesterday
Like the smallest bee packs a sting
Like a pawn checkmates a king
We'll attack at the crack of dawn
Build a ladder if there's a wall
Don't be afraid to slip and fall
Speak for yourself or they'll speak for you
The red flag waving never meant the same, no!
The red flag waving never meant the same, no!
Cast off the crutch that kills the pain
The red flag waving never meant the same
The kids of tomorrow don't need today
When they live in the sins of yesterday
Cast off the crutch that kills the pain
The red flag waving never meant the same
The kids of tomorrow don't need today
When they live in the sins of yesterday
Like a fire
Don't need water
Like a jury
Needs a liar
Like a riot
Don't need order
Like a madman
Needs a martyr
We don't need them
We don't need them
We don't need them
We don't need them

We don't need them
We don't need them
We don't need them
We don't need themCast off the crutch that kills the pain
The red flag waving never meant the same
The kids of tomorrow don't need today
When they live in the sins of yesterdayCast off the crutch that kills the pain
The red flag waving never meant the same
The kids of tomorrow don't need today
When they live in the sins of yesterday (we don't need them, we don't need them)Cast off the crutch that kills
the pain (we don't need them, we don't need them)
The red flag waving never meant the same (we don't need them, we don't need them)
The kids of tomorrow don't need today (we don't need them, we don't need them)
When they live in the sins of yesterdayWe don't need them!
