

Stand To Praise (psalm 117)

Aaron Shust

Everybody praise the Lord, praise the Lord
Every nation applaud His name
Everybody praise the Lord, praise the Lord
Every nation applaud His name
For great is His love toward us
The faithfulness of the Lord endures
The faithfulness of the Lord endures forever
We stand to praise the Lord
We stand to praise the Lord
We stand to praise the Lord
We stand to praise the Lord
Everybody praise the Lord, praise the Lord
And every nation applaud His name
For great is His love toward us
The faithfulness of the Lord endures
The faithfulness of the Lord endures forever
We stand to praise the Lord
We stand to praise the Lord
We stand to praise the Lord
We stand to praise the Lord
