

# Tee Shirt (ashton Edminster)

## Birdy

In the morning when you wake up  
I like to believe you are thinking of me  
And when the sun comes through your window  
I like to believe you've been dreaming of me  
Dreaming hmm hmmm I know  
'Cause I'd spend half this morning  
Thinking about the t-shirt you sleep in  
I should know  
'Cause I'd spend all the whole day  
Listening to your message I'm keeping and never deleting  
When I saw you,  
Everyone knew  
I liked the effect that you had on my eyes  
But no one else heard  
The weight of your words  
Or felt the effect that they have on my mind  
Falling hmm hmmm I know  
'Cause I'd spend half this morning  
Thinking about the t-shirt you sleep in  
I should know  
'Cause I'd spend all the whole day  
Listening to your message I'm keeping and never deleting
