

What Makes A Man (Wanna Cheat On His Woman)

Melvin Riley

Oohee baby
Tell me just how much your heart can take
So many, sleepless nights
You didn't see him til the morning light.
He must be crazy to jeopardize what he has.
Cause I'd never leave you
I'd, stay right by your side.

So what makes a man wanna cheat on his woman ?
If he had somebody like you.
What makes a man wanna cheat on his woman ?
If he had somebody like you like you like you.
And oohee baby
Don't think I'm trying to put no salt in his game.
But you're a mother to the kids
And a damn good lover in bed.

He must be crazy, crazy
To jeopardize what he has
'Cause I'd never leave you
I'd stay right by your side.

So what makes a man wanna cheat on his woman ?
If he had somebody like you.
What makes a man wanna cheat on his woman ?
(If he had)
If he had somebody like you.
(Somebody like you).

Girl he must be crazy
To jeopardize what he has.
I'd never leave you.
(Leave you)
I'd stay right by your side.

(So what makes a man)
What makes a man ?
(If he had)
If he had
(Somebody like you)

You you you you baby.

(So what makes a man wanna cheat on his woman ?)

(If he had)

Somebody as sweet as you girl

(Somebody like you)

(What makes a man wanna cheat on his woman ?)

Your mother to the kids, am other to the kids

(If he had)

I'm sending love sending love baby

(Somebody like you)

(What makes a man wanna cheat on his woman ?)

What would make a man?

Wanna go out somewhere

(If he had)

When he's got her at home

(Somebody like you)

I don't know, I don't know

(So what makes a man wanna cheat on his woman ?)

Wanna go out somewhere

(If he had)

When he's got her at home

(Somebody like you)

I don't know, I don't know

(So what makes a man wanna cheat on his woman ?)

See I ain't trying to bum no salt in his game

(If he had)

I just wanna give you what you deserve

(Somebody like you)
