

# Maniac (ft. Cage & St. Vincent)

Kid Cudi

I swear to tell the truth  
The whole truth and nothing but  
Yes  
Hey  
I am the maniac  
I am the ghoul  
I'm in the shadows in the corner of my room  
This my new hideaway  
This is my tomb  
This is my coffin  
This is my place for unruliness, no worries  
I love the darkness yeah  
I like to marry it  
It is my cloak, it is my shield, it is my cape  
I love the dark, maybe we can make it darker  
Give me a marker I am the maniac  
I am the maniac  
I am the maniac I am the maniac, I am the fool  
I found a monster in me when I lost my cool  
It lives inside of me eating what's in its web  
Put black spray paint on my windows during the day  
Wanna spend time with it, I think I'm losing it  
Or I found it and I'm using it  
I wear my shades at night so I can look in the abyss  
I see something in nothingness if you could picture this  
Put black holes in my jar lid  
I climb the wall, I'm too high and now I'd die from the fall  
Before the waters to our knees  
We can't climb on the tree's wash away  
And you and I are the disease I am the maniac  
I am the maniac  
I am the maniac
