

# Down On Me

## Young Love

The things we remember  
The pain we forget  
You've been through so much  
Without the time to rest  
My hand is steady right by your side  
Some things get easier  
Over time So lay your troubles down on me girl  
Lay your troubles down on me  
Lay your troubles down on me girl  
Lay your troubles down on me Sometimes its bad luck  
Other times its fate  
Good things don't always come  
To those who wait  
And i know your hurting  
God knows your tired  
Stay here a little while  
Stay with me tonight And lay your troubles down on me girl  
Lay your troubles down on me  
Lay your troubles down on me girl  
Put your troubles down on me
