

We Are the People

Angelic Upstarts

What you gonna do when you run out of scapegoats,
What do they do when there's no one left to blame,
Turn on the people the people that made you,
Turn on the people start fooling us again, Corruption that happens it's not at the bottom,
The corruption we have is all at the top,
We are the people the people that made you,
And now you're screwing us for everything we've got, Stories stories we've heard all the stories,
We've heard them so many time before,
You are the boys the boys with the power,
Power you have glory you have not,
Turn on the people the people that made you,
Turn on the people start fooling us again, What you gonna do when you run out of scapegoats,
What do they do when there's no one left to blame,
Turn on the people the people that made you,
Turn on the people start fooling us again, Think you're so high, so high and so mighty,
You can't be knocked off the top,
You're all so bent, so bent and twisted,
But we can see clearly it don't take much to see through the lies, There's crooks at the bottom, there's crooks at
the top,
Just look at the porn squad they got the chop,
All of them bent all on the take,
They're not alone this countries a state,
Turn on the people the people that made you,
Turn on the people start fooling us again,
