Remember Me

Black My Heart

you can't take it back for all the days I've spent on the cold cold street
and the pinch that took your mind from me
it's fucking payback

broken, I'm a loss for words for what I could say
spoken, for every person I couldn't be
when it all comes down it's just a broken home
a broken family

tonight's the night you go down
(reckless)
you made the choice of your life
(you'll fuckin pay)
the terrors of a new life
(in this world)
will never know won't ever know what it's like

so think back, you missed the world of compensation
brokendown coulds you ever understand
when I look back I can't take away the pain
so sit back, hear what I have to say
I didn't want this
you dug your grave and I just buried you

broken, I'm a loss for words for what you couldn't say
spoken, for every person you couldn't be
when it all comes down it's just a broken home
a broken family

tonight's the night you go down
(reckless)
you made the choice of your life
(you'll fuckin pay)
the terrors of a new life
(in this world)
will never know won't ever know what it's like
to live life
