

Once In a While

Matt Monro

Once in a while won't you try to give one little thought to me,
Though someone else may be nearer your heart.Once in a while won't you dream of the moments I shared with
you,

Moments before we two drifted apart.In love's smouldering ember one spark may remain.
If love can remember that spark may burn again.I know that I'll be contented with yesterday's memories,
Knowing you think of me once in a while.
