

# Show Me How You Burlesque

## Christina Aguilera

Underneath the city lights  
There is a world few know about  
Where rules don't apply, no  
And you can't keep a good girl down She goin' through the club looking for a good time  
Gonna make that, shake that money on a dime  
Don't need a sugar daddy, she can work it just fine  
Up on the table, she'll be dancing all night Yeah, baby doll just comes alive  
Under the spotlight, all the girls wanna fall in line  
We say, hey, here come the ladies 'bout to give a little show  
Hey, here come the boys, we gonna show a little more Hit it up, get it up, won't let you rest  
Hit it up, get it up, this is not a test  
Hit it up, get it up, gotta give me your best  
So get your ass up, show me how you Burlesque Hit it up, get it up, won't let you rest  
Hit it up, get it up, this is not a test  
Hit it up, get it up, gotta give me your best  
So get your ass up, show me how you burlesque A little bit of naughty is a little bit nice  
She's a whole lot of glam, sweat, sugar, sex, spice  
Just shimmy, shimmy, strut, strut, give a little what, what  
Up on the tables, we'll be dancing all night Yeah, everybody just comes to life  
Under the spotlight, all the boys wanna fall behind  
We say, hey, here come the ladies 'bout to give a little show  
Hey, here come boys, we gonna show a little more Hit it up, get it up, won't let you rest  
Hit it up, get it up, this is not a test  
Hit it up, get it up, gotta give me your best  
So get your ass up, show me how you Burlesque Hit it up, get it up, won't let you rest  
Hit it up, get it up, this is not a test  
Hit it up, get it up, gotta give me your best  
So get your ass up, show me how you Burlesque Okay girls, let's show 'em how it's done  
It ain't over till we say and we've only just begun Lemme hear you say, yeah  
Say yeah  
Say yeah  
Say yeah Hit it up, get it up, won't let you rest  
Hit it up, get it up, this is not a test  
Hit it up, get it up, gotta give me your best  
So get your ass up, show me how you Burlesque Hit it up, get it up, won't let you rest  
Hit it up, get it up, this is not a test
