

# Machinery

## Skeeve

Waiting for the peace of the night to be shattered  
I do believe my illusions are in tatters  
When I see the pale moonlight in the skyI know it's gonna come, like a hurricane hittin'  
I breathe a sight 'coz it's only the beginning  
When I see reflection deep in his eyes  
I know, he's got the power to hit itI don't believe what he said to me  
I'm feeling like a piece of machinery  
Gotta get in closer 'coz I can't see  
When you're telling me the truth, I refuse to believeRunning on the ground with my innocence fading  
I do believe there is something I am gaining  
When I get that red hot fever insideI wanna give it hell and behave just like a goner  
I wanna stay and reduce the things I wanna  
When I see the pale moonlight in the sky  
I know, he's got the power to hit itI don't believe what he said to me  
I'm feeling like a piece of machinery  
Gotta get in closer 'coz I can't see  
When you're telling me the truth, I refuse to believeI don't believe what he said to me  
I'm feeling like a piece of machinery  
Gotta get in closer 'coz I can't see  
When you're telling me the truth, I refuse to believeI don't believe what he said to me  
I'm feeling like a piece of machinery  
Gotta get in closer 'coz I can't see  
When you're telling me the truth, I refuse to believeI don't believe what he said to me  
I'm feeling like a piece of machinery  
Gotta get in closer 'coz I can't see  
When you're telling me the truth, I refuse to believe  
I don't believe what he said to me
