

City Ain't Big Enough

Holly Valance

We met at work and we played
From the start you were the DJ
I was workin' in behind the bar
All of a sudden
You were doin' somethin' right
You started seein' somewhere 'round the sightIn the beginnin'
When you were spinnin'
It was my song you were playin'
I was never sayin'
While I was feelin'
What words I dealin'
But I can't hold it back no more'Cos I don't wanna be friends
Baby you better know
What you I never know
You burn the light in both ends
Type of girl when you got a lot
One is not enough city ain't big enough
Doctor, doctor give me somethin'
So I can fight to the end,
'Cos the city ain't big enough
For both of us
Both of us
Both of usDidn't want to turn it into a gap fight
But when the trouble it double baby you won't like
I wanna let it down and you came first
And that bubble is about to burstIn the beginnin'
When you were spinnin'
It was my song you were playin'
I was never sayin'
While I was feelin'
What words I dealin'
But I can't hold it back no more'Cos I don't wanna be friends
Baby you better know
What you I never know
You burn the light in both ends
Type of girl when you got a lot
One is not enough city ain't big enough
Doctor, doctor give me somethin'
So I can fight till the end

'Cos the city ain't big enough
For both of us
Both of us
Both of us I don't want this to get ugly
But if you push it girl just trust me
If you think that this is ok
You don't know what I'm about
And boy just wipe that smile off your face
You ain't that good at all anyway
And if you think that we're friends that way
You don't know what I'm about 'Cos I don't wanna be friends
Baby you better know
What you I never know
You burn the light in both ends
Type of girl when you got a lot
One is not enough city ain't big enough
Doctor, doctor give me somethin'
So I can fight to the end
'Cos the city ain't big enough
City ain't big enough 'Cos I don't wanna be friends
Baby you better know
What you I never know
You burn the light in both ends
Type of girl when you got a lot
One is not enough city ain't big enough
Doctor, doctor give me somethin'
So I can fight to the end
'Cos the city ain't big enough
For both of us
Both of us
Both of us I know us don't wanna be friends
Gonna fight until the end
I know want don't wanna be friends
Typical one is not enough
I don't wanna don't want to be friends
One is not enough
Gonna fight until the end
