New Change Of Heart

Damone

You're talkin' like you're goin' somewhere
Tell me where and I will follow
You're dressing up and combing your hair
Like you won't be back tomorrow
Whoa yeahI don't wanna
Think it over
Cause I've known from the start
Every morning brings a new change of heartI've been hangin' out with my friends
Drinkin', smokin', watchin' TV yeah
I only want to see you again
How did I let this happen to me
Whoa yeahI don't wanna
Think it over
Cause I've known from the start
That I want you
On my shoulder
Lying here in the dark
Every morning brings a new change of heartWhen I turn around I know
You're never at the door
Funny how you love the ones you're lying for
Love the ones you're dying forI don't wanna
Think it over
Cause I've known from the start
That I want you
On my shoulder
Lying here in the dark
Every morning brings a new change of heart
