

# New Change Of Heart

## Damone

You're talkin' like you're goin' somewhere  
Tell me where and I will follow  
You're dressing up and combing your hair  
Like you won't be back tomorrow  
Whoa yeahI don't wanna  
Think it over  
Cause I've known from the start  
Every morning brings a new change of heartI've been hangin' out with my friends  
Drinkin', smokin', watchin' TV yeah  
I only want to see you again  
How did I let this happen to me  
Whoa yeahI don't wanna  
Think it over  
Cause I've known from the start  
That I want you  
On my shoulder  
Lying here in the dark  
Every morning brings a new change of heartWhen I turn around I know  
You're never at the door  
Funny how you love the ones you're lying for  
Love the ones you're dying forI don't wanna  
Think it over  
Cause I've known from the start  
That I want you  
On my shoulder  
Lying here in the dark  
Every morning brings a new change of heart
