

Go!

Blood Red Boots

Oh baby here we go. I'm gonna try to figure you out.

I like your pretty clothes, but my words are glued to my mouth. And I am awkward, I am stumbling, I am
bombing like the hindersburg.

Trying to say I like you but my words are getting really slurred.

You don't care, you don't care, I can tell you're tuning out. Girl I'm so shy, I'm so shy, I'm so shy. But I can't
let you go by. Oh baby here we go. I'm gonna try not to show myself.

I know I know I know. That would blow up and go to hell.
