# Whole Again

## Atomic Kitten

If you see me walking down the street
Staring at the sky and draggin' my two feet
You just passed me by it still makes me cry
But you can make me whole again
If you see me with another man
Laughing and joking doin' what I can
I won't put you down 'coz I want you around
You can make me whole again
Looking back on where we first met
I cannot escape and I cannot forget
Baby, you're the one you still turn me on
You can make me whole again
Time is layin' heavy on my heart
Seems I've got too much of it since we've been apart
My friends make me smile if only for a while
You can make me whole again
Looking back on where we first met
I cannot escape and I cannot forget
Baby, you're the one you still turn me on
You can make me whole again
For now I have to wait
But baby if you change your mind don't be too late
'Coz I just can't go on it's already been to long
But you can make me whole again
Whoa, whoa, whoa, whoa
Looking back on where we first met
I cannot escape and I cannot forget
Baby, you're the one you still turn me on
You can make me whole again
The world, looking back on where we first met
I cannot escape and I cannot forget
Baby, you're the one you still turn me on
You can make me whole again
Baby you're the one you still turn me on
You can make me whole again
