

Into the Galaxy (Radio Version)

Midnight Juggernauts

Floating to the edge of the world
Floating to the edge of the sea
Floating off the edge of the ocean
Out into the galaxy Floating to the edge of the world
Floating to the edge of the sea
Floating off the edge of the ocean
Out into the galaxy An apparition
Of twilight visions
A final mission
Of superstition Reactivated
Now automated
Appropriated
Investigated Global tectonics
Psycho robotic
Plasma bionic
Bred supersonic A new translation
For integration
Your invitation
G-L-O-R-I-A Floating to the edge of the world
Floating to the edge of the sea
Floating off the edge of the ocean
Out into the galaxy Floating to the edge of the world
Floating to the edge of the sea
Floating off the edge of the ocean
Out into the galaxy Hyper creation
Or reinvention
Love and affection
Gaining attention United Nations
Interrelations
A declaration
Of hypertension Emerging summits
Pre-emptive plummet
We drop atomic
To shooting comets The controversial
Ultra commercial
Now universal
