Mohawk

Cascadeur

When I close my painted eyes
I feel like a skydiver
Staring into space
From falling fears
King Kong is on my mindVertigo, my loverI run away, I run away
I run away, I run awayWhen I close my haunted eyes
I feel like a sky walker
Flying down the side
From falling heights
I find it clears my mind
Vertigo, my loverI run away, I run away
I run away, I run awayI run away, I run away
I run away, I run awayVertigo, my lover
I run away, I run away
I run away, I run awayI run away, I run away
I run away, I run away
