Losing You

Aquilo

Here we are,
I'm painting pictures on a wall
Maybe I don't get it all
So here we are again
So cold,
Maybe there's another way,
Maybe walls don't have to play in other parts
Tell me what I could've done
Looking back I've tried my best
To carry on
But the feeling we once had
Starts to fade beneath the bed,
And it's everything, it's everything
And I'm losing you
yeah I'm losing you
And I'm almost at the point of giving it up
I'm losing you,
yeah I'm losing you
But I don't think you can see there's no other love!!Here I am,
Staring back at what we were,
Just remember it was her who made me
And I'm crawling, this stuff from falling
Will I ever understand it what I want?
Tell me what I could've done
Looking back I've tried my best
To carry on
But the feeling we once had
Starts to fade beneath the bed,
And it's everything, it's everything
And I'm losing you
yeah I'm losing you
And I'm almost at the point of giving it up, oh no
Yeah I'm losing you,
And I'm losing you
But I don't think you can see there's no other love!!And you say that it's all
But you walk away again
And you say there it's all
You're still away in the end
I'm losing you,

Yeah I'm losing you
I'm losing you, ooh oh oh
