

# Auf Achse

## Franz Ferdinand

You see her, you can't touch her  
You hear her, you can't hold her  
You want her, you can't have her  
You want to, but she won't let you And you see her, you can't touch her  
You hear her, you can't hold her  
You want her, you can't have her  
You want to, but she won't let you She's not so special so look what you've done, boy  
She's not so special so look what you've done, boy  
She's not so special so look what you've done, boy  
She's not so special so look what you've done Now, you wish she'd never  
Come back here again  
Oh, never  
Come back here again You see her, you can't touch her  
You hear her, you can't hold her  
You want her, you can't have her  
You want to, but she won't let you And you see her, you can't touch her  
But you hear her, you can't hold her  
You want her, you can't have her  
And you want to, but she won't let you She's not so special so look what you've done, boy  
She's not so special so look what you've done, boy  
She's not so special so look what you've done, boy  
She's not so special so look what you've done And now, I'm nailed above you gushing from my side  
It's with your sins that you have killed me thinking of your sins I die  
Thinking how you'd let them touch you how you'd never realize  
That I'm ripped and hang forsaken knowing never will I rise again You still see her  
Oh, you hear her  
You want her  
Oh, you want to And you see her  
And you still hear her  
And you want her  
And you still want to
