Xiu Xiu

DON'T TELL ME SOMEONE IS WHISPERING Shut up, shut up, shut up

Shut up, shut up, shut up

Shut up, shut up, shut up

Shut up, shut up, shut up Don't tell me you are not wrinkled

Everything is wrinkled

DON'T TELL ME YOU ARE NOT WHISPERING

Don't tell me I'm wrong, wrong, wrong

But no one is there

Shut up, shut up, shut up

Shut up, shut up, shut up

Shut up, shut up, shut up

Shut up, shut up, shut up
