

Gravity

Chris Jamison

Gravity is working against me
And gravity wants to bring me down

Oh I'll never know what makes this man
With all the love that his heart can stand
Dream of ways to throw it all away

Oh, gravity is working against me
And gravity wants to bring me down

Oh twice as much ain't twice as good
And can't sustain like one have could
It's wanting more
That's gonna send me to my knees

Oh twice as much ain't twice as good
And can't sustain like one have could
It's wanting more
That's gonna send me to my knees

Oh gravity, stay the hell away from me
Oh gravity has taken better men than me (how can that be?)

Just keep me where the light is
Just keep me where the light is
Just keep me where the light is
C'mon keep me where the light is
C'mon keep me where the light is
C'mon keep me where keep me where the light is (oh, oh)
