

Hey Buddy

Thee Oh Sees

hey buddy what's wrong?
after you waited so long,
how can you walk away?
you shouldn't care what I say,
don't even know mesomehow they all got it wrong,
but it seemed like they like it that way,
I let it go on too long,
that I had forgotten what I wanted it to say,
it feels like I'm lying,
it feels like I'm lying,
don't even know the truth
la la la la la la la la la la
la la la la la la la
la la la lala la la la la la la la la la la
la la la la la la la
la la la la
yeah sorry I left,
I wish I hadn't left,
I am a dick sometimes,
I still haven't paid for my crimes,
don't even know me
somehow they all got it wrong,
but it seemed like they like it that way,
I let it go on to long,
that I had forgotten what I wanted it to say,
it feels like I'm dying,
it feels like I'm dying,
I'm just fuckin' with you
