

Gift Of A Friend

[Demi Lovato](#)

Sometimes you think you'll be fine by yourself
'Cause a dream is a wish that you make all alone
It's easy to feel like you don't need help
But it's harder to walk on your own
You'll change inside when you realize
The world comes to life and everything's bright
From beginning to end when you have a friend by your side
That helps you to find the beauty you are
When you open your heart and believe in the gift of a friend
The gift of a friend
Someone who knows when you're lost and you're scared
And they're through the highs and the lows
Someone you can count on, someone who cares
Beside you wherever you'll go
You'll change inside when you realize
The world comes to life and everything's right
From beginning to end when you have a friend by your side
That helps you to find the beauty you are
When you open your heart and believe in the gift of a friend
And when your hope crashes down
Shattering to the ground you, you feel all alone
When you don't know which way to go
And there's no signs leading you home, you're not alone
The world comes to life and everything's bright
From beginning to end when you have a friend by your side
That helps you to find the beauty you are
When you open your heart and believe in
When you believe in, when you believe in the gift of a friend
