In A Manner Of Speaking

Tuxedomoon

In a Manner of speaking
I just want to say
That I could never forget the way
You told me everythingBy saying nothing
In a manner of speaking
I don't understand
How love in silence becomes reprimandBut the way that i feel about you
Is beyond words
O give me the words
Give me the wordsThat tell me nothing
O give me the words
Give me the words
That tell me everythingIn a manner of speaking
Semantics won't do
In this life that we live we live we only make do
And the way that we feelMight have to be sacrified
So in a manner of speaking
I just want to say
That just like you I should find a wayTo tell you everything
By saying nothing.
O give me the words
Give me the wordsThat tell me nothing
O give me the words
Give me the words
Give me the words
