

In A Manner Of Speaking

Tuxedomoon

In a Manner of speaking
I just want to say
That I could never forget the way
You told me everything By saying nothing
In a manner of speaking
I don't understand
How love in silence becomes reprimand But the way that i feel about you
Is beyond words
O give me the words
Give me the words That tell me nothing
O give me the words
Give me the words
That tell me everything In a manner of speaking
Semantics won't do
In this life that we live we live we only make do
And the way that we feel Might have to be sacrificed
So in a manner of speaking
I just want to say
That just like you I should find a way To tell you everything
By saying nothing.
O give me the words
Give me the words That tell me nothing
O give me the words
Give me the words
Give me the words
