

# Pretty Women

## Johnny Depp

Pretty women fascinating  
Sipping coffee, dancing pretty women  
Pretty women are a wonder  
Pretty womenSitting in the window or  
Standing on the stair  
Something in them cheers the airPretty women silhouetted  
Stay within you, glancing stay forever  
Breathing lightly pretty women  
Pretty womenBlowing out their candles or combing out their hair  
Even when they leave they still are there  
They're thereAh, pretty women, at their mirrors, in their gardens  
Letter-writing, flower picking  
Weather watching how they make a man singProof of heaven as you're living, pretty women  
Yes, pretty women  
Here's to pretty women, pretty women  
Pretty women, pretty women
