

# What Kind Of Man Are You

## Ray Charles

What kind of man are you  
Why do I love you so?  
What kind of man are you  
Yeah, yeah, when you love me no more?

What kind of man are you  
Why can't I let you go?  
I wanna know, I wanna know  
I wanna know, yes, about you

What kind of man are you?  
I just can't satisfy  
What kind of man are you?  
Oh yeah, no matter how I try

What kind of man are you  
Why do you tell me lies?  
I wanna know, I wanna know  
I wanna know, yes, about you

What kind of man are you?  
I'm always left alone  
What kind of man are you?  
How long can this go on?

What kind of man are you?  
Oh, help me somebody  
You know right from wrong  
I wanna know, I wanna know  
I wanna know, yes, about you, oh yeah
