

# Trust in Me (from "The Jungle Book")

Selena Gomez

In the dark we can see  
Feel your hand touching me  
Run away from the world outside we know  
In your lips I confide  
In our love we can hide  
Run away from our world outside we know And when I waken next to you  
I know we're not the lonely people that we used to be, used to be  
I'm never giving up on this  
The lover in me is the lover in you  
And you can't stop my heart  
You're taking on me like I'm taking on you  
And it's my favorite part  
Don't let go, don't let go tonight  
And you can't stop my heart  
The lover in me is the lover in you 'Cause we fit perfectly when you lay over me  
Run away from the world outside we know And when I waken next to you  
I know we're not the lonely people that we used to be, used to be  
I'm never giving up on this  
The lover in me is the lover in you  
And you can't stop my heart  
You're taking on me like I'm taking on you  
And it's my favorite part  
Don't let go, don't let go tonight  
And you can't stop my heart  
The lover in me is the lover in you The lover in me is the lover in you tonight  
And you can't stop my heart  
The lover in me is the lover in you tonight  
And it's my favorite part The lover in me is the lover in you  
And you can't stop my heart  
You're taking on me like I'm taking on you  
And it's my favorite part  
Don't let go, don't let go tonight  
And you can't stop my heart  
The lover in me is the lover in you
