Glass Animals

I
Breathe
Air
And sighYou...Can
Sleeps
And criesI'm all armored up
I've got my old helmet on
Keeping out an eye
Puffing all my feathers upOne more little blow
One more tap and I'll collapse
Teetering on a toe
I feel that final pokePlease, it's not okay
Oh can't you feel your dirty face
Oh don't it leave that filthy taste
When you squeeze that life untamedI
Free
Fall
Real slowI'm all drying out
Where my funny friends gone?
You're in paradise
Who's gonna plant the flowers huh?Weak and worried I
Shut my wild eyes
And crumble to a pile
Of dust and fertilizePlease, it's not okay
Oh can't you feel your dirty face
Oh don't it leave that filthy taste
When you squeeze that life untamed
[Take my hand and let us fall]Play with me and pass the ball
Take my hand and let us fallPlay with me and pass the ball
Take my hand and let us fallI
Breathe
Air
And
And sighYou
Can't
Breathe
Without me
