Stand Defiant

For Today

Give me strength to stand when the battle rages
I will never falter on this narrow road
Give me strength to stand when the battle rages
I will never falter on this narrow road

I was made for this battle, and I will never fear my enemy
I was made for this battle, the only fret is my prophecy

I was made for war
I was made for war
I was made for war
And my victory is certain,
Yes my victory is sure.

You'll see me stand defiant with the warrior that will conquer all
Victorious in death, He will never fall
You'll see me stand defiant with the warrior that will conquer all
Victorious in death, He will never fall

I am victorious only we will remember who I am
And Heaven's waiting on the glory
That He's put in my hand
My redemption is to bring redemption
My redemption is to bring redemption

Steadfast I press on for the freedom of the world
For that is what my Savior taught me
And my victory is certain, yes my victory is sure

You'll see me stand defiant with the warrior that will conquer all
Victorious in death, He will never fall
You'll see me stand defiant with the warrior that will conquer all
Victorious in death, He will never fall

So I stand beside Him, ready for the fight
I was meant for war, I was meant for war
