

# Up Down (Feat. Florida Georgia Line)

Morgan Wallen

Was Friday after five, I got here just in time  
Went ahead and wet a line 'fore I went and lost my mind  
I ain't been here long, but the bobbers in the pond  
Going up down, up, down, up, down  
Tonight, we're gonna raise a whole lot more than Cain  
'Cause there's money in the bank and tomorrow's Saturday  
So if they pass that fifth of Jack this way  
I turn it up, down, up, down, up, down We just holding it down here in BFE  
Still rolling around with a burnt CD  
Free Bird, five minutes deep  
Head bobbing up, down, up, down, up, down  
We got what we got, we don't need the rest  
Can turn this parking lot into a party  
With an ice chest, dancing, cold beer  
Man, we live it up, down, up, down  
We live it up down, here  
Yeah, the girls, they hit the spot, get hotter when it's hot  
If you can't buy her a yacht, but still proud of what you got  
'Cause when the day's done, red neck is from the sun  
Going up, down, up, down, up, down We just holding it down here in BFE  
Still rolling around with a burnt CD  
Free Bird, five minutes deep  
Head bobbing up, down, up, down, up, down  
We got what we got, we don't need the rest  
Can turn this parking lot into a party  
With an ice chest, dancing, cold beer  
Man, we live it up, down, up, down  
We live it up, down, here Somebody pass that fifth of Cap this way  
I'll turn it up, down, up, down, up, down  
We just holding it down here in BFE  
Still rolling around with a burnt CD  
Free Bird, five minutes deep  
Head bobbing up, down, up, down, up, down  
We got what we got, we don't need the rest  
Can turn this parking lot into a party  
With an ice chest, dancing, cold beer  
Man, we live it up, down, up, down  
We live it up, down, here
