

# Stripper Pole (remix)

Pitbull

Toby Love, Scott Little, it's that little Chico Pitbull  
Now let me see, you go to work on that strip pole  
I love it when you work that hit the floor  
How you do that? Gimme some more  
Hump back, hump back, hoochie momma  
All I really want is some coochie momma  
You a star when you work the pole  
We don't make it rain, we make it snow  
When you go fast then break it down slow  
From the window to the wall, get low  
This is for the strippers  
That be shaking for them tips  
Big oh ass big oh tits  
Pretty ass pussy, pretty ass lips  
Baby, you're amazing  
Tell me who you're creeping with, I wanna know  
Lying to my face again, I know you on the low  
My boys done told me that you're doin' wrong  
So baby, tell me  
No le hagas caso daddy  
Yo solo soy tuya, amor  
Deja que se mueran de envidia  
No bailo desnuda  
You think that I'm a fool, babe  
Don't make me lose my cool babe  
Not tryin' to hear what you say  
You can't play me  
You must go, I caught you on that stripper pole  
Ain't never gonna trust you no  
Ass in the air, grabbin' dollars  
While you droppin' like oh, oh, oh, oh  
You don't know the half of it  
I found you out last Friday  
Thought I was out to get you  
At the club I met Peaches  
She said she knew your secret  
I asked if you were hookin' or creepin'  
I had a quick lap dance  
Damn near skid in my pants

(Whoa)  
Look how bitches got me sweatin' in my white T  
Lovin' how she do me  
Then I saw you in stilettos and a thong  
Shaking that booty to the 'Do the Brown' song  
(Do the Brown)  
Shorty got to go, ooh, oh  
You must go, I caught you on that stripper pole  
Ain't never gonna trust you no  
Ass in the air, grabbin' dollars  
While you're droppin' like oh, oh, oh, oh  
You must go, I caught you on that stripper pole  
Ain't never gonna trust you no  
Ass in the air, grabbin' dollars  
While you're droppin' like oh, oh, oh, oh  
Let me see you climb the pole to the top  
Let go, make it drop, make it clap, don't stop  
One check at a time, don't stop  
I've been waiting all night to see you take it off  
I got some paper, baby, you can take it all  
What you wanna do?  
We can go to the back boom, boom fo' sho  
These just them things that be going down in them strip clubs  
Bend over, baby, come over and get these crispy dubs  
No le hagas caso daddy  
Solo soy tuya, amor  
Deja que se mueran de envidia  
No bailo desnuda  
You think that I'm a fool, babe  
Don't make me lose my cool, babe  
Not trying to hear what you say  
You can't play me  
You must go, I caught you on that stripper pole  
Ain't never gonna trust you no  
Ass in the air grabbin' dollars  
While you droppin' like oh, oh, oh, oh  
You must go, I caught you on that stripper pole  
Ain't never gonna trust you no  
Ass in the air grabbin' dollars  
While you droppin' like oh, oh, oh, oh  
How you gonna play this thug?
