

Get Ready

Bon Jovi

You need someone to make it last
No Romeo's who'll love and leave you fast
They fade away Tonight you're not gonna be alone
Making love on the telephone
Oh baby, baby if you can hold I'm gonna take you all the way tonight
I like them down and dirty
So hold on tight Come on
(Come on, come on, get ready)
Come on
(Come on, come on, get ready) You look sharp in your dancing shoes
You got the style, you got the moves
Oh, you're so hot girl and on the loose You're caught up in a danger zone
Just seventeen but you act full grown
All the night life, baby, is turning you on You want to take me all the way tonight
Take my hand, can you feel the heat?
You make me feel alright Come on
(Come on, come on, get ready)
Come on
(Come on, come on, get ready) Come on
(Come on, come on, get ready)
Come on
(Come on, come on, get ready) Come here baby
Oh yeah Come on, come on
Come on, come on
Come on, come on
Come on, come on Are you ready?
(Come on, come on)
He is ready
(Come on, come on)
Are you ready?
(Come on, come on)
Get ready
(Come on, come on) Come on
(Come on, come on, get ready)
So come on
(Come on, come on, get ready) Come on
(Come on, come on, get ready)
Come on
(Come on, come on, get ready)
