

# Shooting Star (2015 Remastered Version)

## Bad Company

Johnny was a schoolboy  
When he heard his first Beatles song  
Love me do, I think it was  
And from then it didn't take him long  
Got himself a guitar  
Used to play every night  
Now he's in a rock n' roll outfit  
And everything's alright, don't you know?  
Johnny told his mama  
"Hey, mama, I'm goin' away  
Gonna hit the big time  
Gonna be a big star someday"  
Mama came to the door  
With a teardrop in her eye  
Johnny said, "Don't cry, mama"  
Smiled and wave goodbye, don't you know?  
Yeah  
Don't you know that you are a shooting star  
Don't you know? Don't you know?  
Don't you know that you are a shooting star?  
And all the world will love you just as long  
As long as you are  
Johnny made a record  
Went straight up to number one  
Suddenly everyone loved  
To hear him sing the song  
Watchin' the world go by  
Surprisin' it goes so fast  
Johnny looked around him and said  
Well, I made the big-time at last  
Don't you know?  
Don't you know?  
Don't you know that you are a shooting star?  
Don't you know? Whoa yeah  
Don't you know that you are a shooting star?  
And all the world will love you just as long  
As long as you are a shooting star  
Don't you know that you are a shooting star?  
Don't you know?  
Don't you know that you are a shooting star?  
And all the world will love you just as long  
As long as you are  
Johnny died one night, died in his bed  
Bottle of whisky, sleeping tablets by his head  
Johnny's life passed him by like a warm summer day  
If you listen to the wind you can still hear him play  
Don't you know that you are a shooting star?  
Don't you know? Don't you know  
Don't you know that you are a shooting star  
Don't you know?  
Don't you know that you are a shooting star  
Don't you know?  
Don't you know that you are a shooting star  
Don't you know?
