

# This Is Not a Love Song

## Nouvelle Vague

This is not a love song  
Happy to have not to have not  
Big business is very wise  
I'm crossing over into enterprise This is not a love song  
This is not a love song  
This is not a love song  
This is not a love song I'm adaptable, now I like new role  
I'm getting better and better  
I have a new goal, I'm changing my ways  
Where money applies, this is not a love song This is not a love song  
This is not a love song  
This is not a love song  
This is not a love song I'm going over to the over side  
I'm happy to have, not to have not  
Big business is very wise  
I'm inside free enterprise This is not a love song  
This is not a love song  
This is not a love song  
This is not a love song Not television behind the curtain  
Out of the cupboard  
You take the first train into the big world  
Are you ready to grab the candle, not television? This is not a love song  
This is not a love song  
This is not a love song  
This is not a love song
