Keep It Down

Noah Kenton

So my valentine, With your shaking triggerfinger outstretched-
Have you come to do me in?

This will be the hundredth time, but I can say it again. Just for your sake.

Oh keep it down now, there ain't no gettin' loud in my house.
Just keep it down, baby, Mhmm.

So why don't we take a class, to learn a little bit of this and that?
Cause honey we are grade A.

I think that maybe I'll pass and I can meet you after the fact-
So we can close the gap.

Oh keep it down now, there ain't no gettin' loud in my house.
Just keep it down, baby, Mhmm.

Oh keep it down, keep it. You keep it down, keep it.

Oh keep it down now, there ain't no gettin' loud in my house.
Just keep it down, baby, Mhmm.

Oh, should I even ask? I'm tempted just to keep the cat in the bag.
No use in struggling, when you're trapped.

Oh, do you see me as clear as glass?
Went from knives in backs to forks in the path-
I keep walking, I keep walking though stabbed.

Oh keep it down now, there ain't no gettin' loud in my house.
Just keep it down, baby, Mhmm.

So my valentine, with your shaking triggerfinger outstretched-
Have you come to do me in?
