

# Cock in My Pocket

James Williamson

I got my cock in my pocket  
And I'm reelin'  
Down the old highway  
I got my cock in my pocket  
And I'm reelin'  
Down the old highway  
I'm gonna whip it on you honey  
Taste your blood today  
I got my cock in my pocket  
And it's shovin' up through my pants  
I got my cock in my pocket  
And it's shovin' up through my pants  
I just wanna fuck  
This ain't no romance  
I got my cock in my pocket
