

I Wanna Be Your Man

Blackstreet

Baby, baby, baby, I wanna know you
Place no one above you, I wanna love you
Baby, baby, baby, I wanna be your man I remember the first time I came to this park
It was one day last May
I saw you lookin' like a star
I'll never forget the scent of your perfume
Girl, I just gotta' see you again To ask you may I have a chance to be with you?
Girl, I'll never forget how I traveled to the moon
Now I'm waitin' in the park, waitin' after dark
I've got to see you again, ohh Baby, baby, baby, I wanna know you
(Oh, baby, wanna know you)
Place no one above you, I wanna love you
(Ooh, oh ya)
Baby, baby, baby, I wanna be your man
(Wanna be your man, girl, take it for me, one time) So I dream a little dream of us, we're holding hands
And we're takin' long walks, down in love land
My palms are sweatin' and my hearts beatin' fast
'Cause you smiled and said you'd see me again, oh I ain't gonna' let you get away this time
That's why I waited here so long, I'm gonna make you mine
Still I'm waitin' in the park, waitin' after dark
Waiting here to see you again Baby, baby, baby, I wanna know you
(Oh, baby, wanna know you)
Place no one above you, I wanna love you
(Oh ya, oh)
Baby, baby, baby, I wanna be your man
(Wanna be your man [Incomprehensible], singin') I loved you from the moment, that you graced your beauty
In front of me and I just can't wait, baby
To see you again 'cause I wanna be your, I wanna be your man
Listen baby, I wanna be your man, oh yeah, oh yeah, girl, baby Baby, baby, baby, I wanna know you
(Wanna know you, oh yeah)
Place no one above you, I wanna love you
(No one above you)
Baby, baby, baby, I wanna be your man
(Oh baby, your man, your man, oh yeah) Baby, baby, baby, I wanna know you
(So what do you wanna do, tell me)
Place no one above you, I wanna love you
(Where do you wanna go, oh yeah)
Baby, baby, baby, I wanna be your man
(How can I get with you 'cause I wanna be your man)
